Knocking at D'Eath's door is a ghoul's lowest moment. When there is a problem even a trip to the maul or a gossip sesh with your beasties can't fix, the students of Monster High find themselves turning to D'Eath, the school's guidance counselor. Robecca Steam has been spotted, rusty with tears, outside of D'Eath's office almost every day this scaremester, and just yesterday dear Draculaura was spotted lingering outside his door...

I have to admit, ghouls, I'm feeling a bit inspired by their vulnerability. I lurk in the shadows to see what others do not, but each day the halls of Monster High grow darker and darker with misdeeds and betrayals, and I can't see it all anymore. I need your help, dear students... Howl at me with your gossip, your tips, and your secrets, and I'll bring them into the light...

DAVID MAZZUCCHELLI'S DAREDEVIL BORN AGAIN ARTIST'S EDITION

200 Pages • $150.00 • HC
MAR 2025 • ISBN 9798887242644

Enjoy the acclaimed graphic novel as an art book! Each page of this classic story is reproduced from the original art. While appearing to be in black and white, the art is scanned in color, capturing all the nuances and quirks—like blue pencil, corrections, and more—that make original art unique!

David Mazzucchelli's Daredevil Born Again was released in the much-lauded Artist's Edition format in 2012. It soon became the best-selling Artist's Edition of all time and was universally acclaimed. In 2013, the book received the prestigious Eisner Award for Best Archival Project—Comic Books, as well as a Harvey Award the same year. It soon sold out and has been the single most requested book in this series to date for IDW to reissue.

This is a new printing of that incredible Artist's Edition. If ever a book deserved to be published in this format, it is *Daredevil Born Again*. Frank Miller, at the peak of his powers, crafted a story that remains—in an extraordinary career—one of his finest pieces of writing. And David Mazzucchelli does a stellar, tour de force job as his collaborator, providing a nuanced and nearly pitch-perfect turn as artist.

If there is any book deserving to be reread and rediscovered...this is the one!

Story & Art
Sam Fonseca

Jaw-dropping artwork illuminates a mind-bending work of psychological horror about creative souls struggling against oppression and depression.

This class is a nightmare. Violent teachers, barbed wire fences, torture devices, and gruesome suspensions... How did these students get trapped here? Why can't they remember? And once they realize the truth, are they strong enough together to escape?

In his astonishing debut, Brazilian graphic novelist Sam Fonseca presents a mind-bending work of psychological horror about creativity, self-doubt, and the battles we all face to endure a world where shadows only grow stronger.

"Shadowplay is a raging fever dream that burrows down into the fears that haunt all of us. Sam Fonseca hits the ground running and never lets up."
— Patrick Horvath *(Beneath the Trees Where Nobody Sees)*

"As surreal as it is nightmarish. A definite must-read for fans of things that go bump in the night."
— Dave Baker *(Mary Tyler MooreHawk)*
